ABOUT US TJLSについて

Established in 1949, the Toronto Japanese Language School provides family-oriented Japanese language instruction to all age groups and offers a full range of classes from beginner to advanced levels taught by native Japanese speakers. Classes take place on Saturday mornings (9:30-11:50) from September to June.

community コミュニティー

Experience Japanese culture through our many cultural events. Every year we host a cultural day, numerous extracurricular activities, bake sales and a speech contest. We also partner with other organizations such as the Japanese Canadian Cultural Centre and Japan Foundation Toronto to help our students expand their appreciation of various aspects of Japanese culture. Some of our special events include:

- Cultural workshops
- Movie screenings
- Performances
- Annual speech contest

Our teachers are also available to help students with extra-curricular activities such as preparation for the Ontario Japanese Speech Contest, to which the TJLS sends several students each year to compete.

We offer small class sizes (< 25 students) in a relaxed atmosphere. Classroom activities include games, social interaction, reading, writing, speaking and listening. Teaching materials include the Genki series of textbooks, Tobira, newspapers, books, films, and Japanese Ministry of Education approved textbooks.
